

MANAGEMENT DEVELOPMENT ADVANCED MANAGEMENT SKILLS

WHAT IS IT?

- A dynamic and comprehensive workshop that has an in-depth look at building high performing teams and 'state of the art' management techniques.
- Specifically designed and facilitated for professional managers who want to re-energise themselves, their working environment and improve on their current professional effectiveness.
- An ideal opportunity for the advanced manager to review their performance, and within hours, immediately 'sharpen their saw' so as to invigorate and enhance their professional capabilities.

WHAT WILL IT DO FOR YOU AND YOUR BUSINESS?

- Participants will leave with everything that they require so as to immediately put their learning into practice back in the work place.
- Develop and encourage creativity, innovation and lateral thinking whilst introducing the latest research and practical techniques on managing, motivating and influencing others.
- Provide an awareness and impact of the managers preferred management style and understand what they need to do to develop the potential and competence within a team.

WHO WILL IT BENEFIT?

- All Managers.
- All Executive and Senior Management.
