

MANAGEMENT DEVELOPMENT
**MANAGING SELF AND DEVELOPING
INTERPERSONAL SKILLS**

ODYSSEY
Management
Development

WHAT IS IT?

- An engaging management development solution.
- Utilises leading and rigorously researched learning methods.
- Practical and highly effective as a catalyst for personal and professional change.

WHAT WILL IT DO FOR YOU AND YOUR TEAM?

- Helps all managers gain a better understanding of themselves, their style, theirs and others behaviours.
- Builds confidence and helps to make dramatic and sustainable improvements to a managers overall effectiveness.
- Offers a unique opportunity to improve productivity and morale at an individual, team and organisational level.

WHO WILL IT BENEFIT?

- All Managers new to the role.
- Supervisors and Team Leaders.
- Line Managers.
- Executive and Senior Management.

This practical workshop is complemented by each individual receiving their personal Insight Discovery Profile with additional management development chapters. The profile gives the manager an engaging and reinforcing insight into themselves, their management style and their impact on others.

Workshop overview:

Understanding the Management Development Model

Seek first to understand – then be understood (Stephen Covey)

Identifying Individual Management Development Needs

Personal preferences, effective communication and decision making

Interactions with Team and Others

Self awareness of a manager's good day and bad day behaviours

Barriers to Effective Communication

Deeper understanding of our communication and our influencing under stretch, strain and stress conditions

Management Styles and Team Effectiveness

Understanding self, understanding others, adapting and connecting

Suggestions for On-going Development

Measuring the results. Agreeing next actions and goal setting for success
