

MANAGEMENT DEVELOPMENT  
**TRANSFORMATIONAL LEADERSHIP**

## WHAT IS IT?

- A unique and compelling leadership learning and development experience that enables business leaders to explore a diverse range of critical attributes and skills through a lens of both preference and capability.
- Underpinned by the completion of a personal Insights Discovery Profile and Jungian developmental psychology, the learning is professionally holistic, practical and profound. Leadership and learning are indispensable to each other.

## WHAT WILL IT DO FOR YOU AND YOUR BUSINESS?

- By exploring your leadership preferences the workshop offers a practical and reinforcing way to understand each leader's skill, style and impact. Thus aligning your leadership philosophy with the business's needs.
- Taking an engaging approach to leadership learning we encourage both interaction and journaling throughout the day, increasing the learning for sustainable growth and change.
- Enjoy and benefit from a leadership solution that is measurable and engaging taking a multi-dimensional approach to adult learning and development.

## WHO WILL IT BENEFIT?

- All Team Leaders.
- All Managers.
- All Executive and Senior Management.

Experience shows that leadership development models are only truly effective when they are deeply embedded into the fabric of the business and become an integral part of the leader's day to day activities. Transformational Leadership underpins two complementary learning experiences, the individuals Insights Discovery Profile and the attendance to the workshop. Our modular approach to leadership development can be customised for individual development or business/role requirements. Contact us for a free consultation to discuss your outcome requirements.

### Workshop overview:
